

Interview Readiness Questionnaire

Take a moment to assess your interview readiness by answering “yes” or “no” to the following:

	Yes	No
Do you know what selection criteria companies use when hiring?		
Do you know the 5 most common types of interviews and what is expected of you in each one?		
Do you have an Interview Prep Worksheet you use to prepare prior to each interview you go on?		
Do you know what questions to anticipate so you can prepare answers in advance?		
Do you know the right way to answer “behavioral questions” in an interview?		
Do you know how to properly explain gaps in your resume or any other tricky questions?		
Do you know what questions you should ask in an interview so you make a good impression?		
Do you know the proper way to follow up after an interview?		
Do you know how to adjust your strategy in the interview, depending upon your experience level?		
Are you 100% confident that you are good at interviewing?		

NOTE: If you answered, “no” to even one of these questions, then this course is just what you need!
